CASTLES & CREATURES

Write Your Own Tales Of Fantasy And Adventure

Imagine the adventures you can create, the magical and mysterious worlds you can invent when you let your imagination soar: tales of princesses and princes, sorcerers and witches, dungeons and dragons, castles and enchanted forests. They're all yours to write with "CASTLES & CREATURES".

You Write The Story

"CASTLES & CREATURES" turns your computer into a writer's apprentice, who will assist you in authoring your own fantasy adventure novels, by asking questions and offering suggestions. But YOU'RE IN THE AUTHOR'S SEAT, and the special worlds you describe will be yours and yours alone.

With "CASTLES & CREATURES" you can spin tales of countless different adventures. You'll be able to populate your story with wonderfully strange and magical creatures and characters, set it in enchanting or forbidden lands of your choice, and determine every twist and turn of its plot.

Create An Illustrated Book

Since "CASTLES & CREATURES" is part of the new **PlayWriter Series**, you'll be able to "publish" your fantasy adventure as a **HARDCOVER BOOK!** Just print out the story, and put the book together, using the **book jacket, colorful stickers, and full page illustrations**, included in each package.

PARENTS: PlayWriter is a creative writing tool that reinforces reading, spelling, grammar, and vocabulary skills.

Every PlayWriter package includes color stickers, full page art, hardcover, paper and a story disk.

Each PlayWriter Title Helps You:

WRITE: Using PlayWriter's helpful Interactive Dialogue

PRINT: Using PlayWriter's flexible Print Options

ILLUSTRATE: Using PlayWriter's colorful Stickers and Full Page Art

PUBLISH: Using PlayWriter's Hardcover

PlayWriter users can illustrate their finished book with many colorful stickers and illustrations.
