FEATURES AND SPECIFICATIONS

MASTER CLOCK

- Displayed in large, clear, numerals.
- Maximum time period: 99 min, 59 sec.
- Can be stopped for challenges.
- Setting can be changed during a pause.
- Alarms automatically at game end.
- However, if the bonus timer is running at game end, the alarm does not sound until it has finished.

TOSS-UP TIMER

- Displayed in large, clear, numerals.
- Maximum toss-up time: 99 sec.
- Started by pressing a single key.
- Can be cancelled during countdown.
- Bell sounds when time is up.
- However, if a buzzer is pressed before timer reaches zero, the timer stops and the bell does not sound.

BONUS TIMER

- Displayed in large, clear, numerals.
- Maximum bonus-time: 99 sec.
- Started by pressing a single key.
- Can be cancelled during countdown.
- Bell sounds when time is up.
- All buzzers are disabled during bonus.

SOUND

- Comes from speaker in TV or monitor.
- Volume level adjustable.
- Horn sound for buzzer, bell for timer.
- End of game alarm is several bells.

TEAM NAMES

- Displayed in large, clear, letters.
- May contain up to 9 characters.
- Automatically centered on scoreboard.
- Stock names (Red, Blue) may be used.

SCORES

- Displayed in very large numerals.
- Maximum of 999 points for each team.
- Increment may be set for any value.
- Increment added to score by one key.
- Lower-Score key subtracts increment.

POSITION LIGHTS

- Eight squares in response area correspond to player positions.
- Square for player buzzing lights up.
- Light erased when reset is pressed.

PLAYER'S NAMES

- Displayed in large, clear, letters.
- May contain up to 13 characters each.
- Stock names (One, Two ...Eight) may be used if desired.
- Name of player buzzing is immediately displayed under team score.
- Erased by pressing reset.

LOCK-OUT SYSTEM

- Is absolute and automatic.
- When a buzzer is pressed, all others are disabled immediately.
- Even if two or more buzzers are down when reset key is pressed, one will be selected at random.

CHECK NAMES KEY

- Permits check and correction of names.
- Allows substitutions to be made.

SWAP SIDES KEY

- Makes halftime swap of sides easy.
- One key automatically swaps sides for teams, scores, and all players.

BUZZER SWITCHES

- Are fast acting and easy to use.
- May be left on table (leaving hands free for writing), or held in hand.
- Non-slip foam rubber on bottom.
- Contain high quality, sensitive switch units.

CABLES TO TEAMS

- All wires to a team are in one cable.
- Flexible, stranded wire lays flat rather than coiling in loops.
- Teams may be over 45 feet apart.

REELS FOR CABLES

- Reels protect cables and speed set-up.
- Avoid clutter of excess wire.
- Rewind fast for neat storage.

REMOTE TV CABLE

- Makes additional TV set-up easy.
- Over 30 feet of flexible, 75 ohm co-ax.
- Delivers strong TV or video signal.
- Adapters to fit most TV's included.
- Comes on its own easy to use reel.
- More than one TV cable can be furnished at extra cost, if desired.

KEYBOARD OVERLAY

- Made of sturdy, long lasting plastic.
- All function ...keys are clearly marked.

CARRYING CASE

- Deluxe, hard vinyl, metal reinforced.
- Has two sturdy spring latches, plus a safety latch.
- Has a custom designed foam interior with a place for each component.
